THE ORNAMENT OBSERVATORY

"I don't blame you for being here—the sky's beautiful tonight. But what do you say we move on from staring at it to *flying in it?*"

"There's Orion! Amazing. And the Little Dipper! No, the Big Dipper! Both are great!"

"Y ahí está..."

Place two stars in each row, each column, and each enclosed area.

Stars may not be placed next to each other orthogonally or diagonally.

(This type of puzzle is called **Star Battle**. You can find more information online.)
